

OVERLAND

COUPLES RANGE

Australis Overland

When you know better, you do better and the result is our feature rich Australis Overland series. Designed specifically for couples, the Overland provides our smart, spacious layout, with comfort key, wrapped in a contemporary finish.

Australis Caravans is driven to design and build innovative, modern caravans with the right combination of features, smart comfort and safety. Our foundation of over 30 years of industry experience combined with our master caravan builders has produced a range of caravans for exploring the great Australian coastline, overland and high country.

Features

- Cutting edge technology design, featuring Modular CNC cut furniture for an ultra-modern look.
- Contemporary colour schemes for each model to reflect modern day current trends.
- Built tough on an Australia made chassis, for Australian road conditions.
- Smooth ride – on a heavy-duty independent gas / coil suspension.
- 16 inch All Terrain tyres standard.
- Quality fittings throughout from leading suppliers such as - Cruisemaster, Tuff Ride, ALKO, Dometic, Thetford, Swift, Coast RV & Aussie Traveller etc.
- Feature packed with roof top reverse cycle air conditioning, diesel heater, 188L two door fridge, fan forced oven, 24" smart TV, large ensuite, filtered water mixer tap, external shower, 95L Grey water tank and two 95L fresh water tanks and much more.
- Smart storage throughout including our large tunnel boot with room to fit what you need on one side and even includes a BBQ slide out to suit a Weber Q on the other.
- Rollout awning, 6" chassis and extended A frame & checker plate tool box with jerry can holders & generator slide.
- Technology – BM Pro HA lithium ready charger transformer with Trek display that links to your smart phone, 2 x 105A AGM deep cycle batteries and 2 x 200W solar panels.
- Safety is paramount. All our vans come standard with the Electronic Stability Control & Reversing camera
